ACADEMIC POSITION	Assistant Professor Tilburg School of Economics and Management, Tilburg University Postdoctoral Researcher SDA Bocconi School of Management, Bocconi University Research Assistant Fox School of Business, Temple University Research Assistant Business School, The Chinese University of Hong Kong	August 2023 - July 2022 to July 2023 August 2017 to June 2022 June 2016 to June 2017
RESEARCH INTERESTS	My primary research interest is in the area of information economics. The core question that motivates my research is: How do technologies influence the process by which firms capture and create values? In particular, my work tries to understand knowledge creation, innovation, and entrepreneurship in Information Technology (IT) industries. My current research focuses on digital platforms, open-source software, and intellectual property in digital age. My research uses interdisciplinary approaches such as econometrics, analytical modeling, and machine learning.
